**The United States Securities and Exchange Commission authorized this Notice.**

**This is not a solicitation from a lawyer.**

**Who is Eligible to Participate in the Fair Fund?**

If you purchased or otherwise acquired American Realty Capital Properties, Inc. ("ARCP") common stock on or after February 28, 2013, including in the American Realty Capital Trust III, Inc. ("T3") merger, and held such shares at the close of trading on October 28, 2014, you may be eligible for compensation for harm to investors caused by Defendants' violations of the federal securities laws by making material misstatements and omissions and engaging in other improper conduct in connection with two mergers in 2013 and 2014 involving American Realty Capital Properties, Inc. ("ARCP") (now known as VEREIT, Inc.) and improperly obtained millions of dollars from their violations.

The information contained in your Class Action claim will be used to evaluate your eligibility in this SEC matter. If you have not received a postcard or have any questions about whether or not you filed a claim in the Class Action, please email [info@ARCapitalFairFund.com](mailto:info@ARCapitalFairFund.com).**

The administration of the Fair Fund is governed by a Distribution Plan ("Plan") approved by the Court on May 18, 2021. A copy of the Plan, which contains a description of eligibility and other conditions of participation, can be found at [www.ARCapitalFairFund.com](http://www.ARCapitalFairFund.com). Pursuant to the Plan, you may be entitled to receive a monetary payment from the Fair Fund.

**Determination of Recognized Claims**

The amount of compensation shall be determined in accordance with the Plan of Allocation included in Appendix 1 to the Plan. The amount of compensation will be based on the number of shares of ARCP common stock purchased or otherwise acquired by an Eligible Claimant on or after February 28, 2013, including in the T3 merger, and held at the close of trading on October 28, 2014. The Distribution Payment for Eligible Claimants will be calculated in a *pro rata* fashion: the Net Available Fair Fund multiplied by the ratio of the Eligible Claimant's Eligible Shares to the sum of the Eligible Shares of all Eligible Claimants. No Eligible Claimant shall receive a distribution payment unless the preliminary calculation is equal to or greater than \$10.00. Appendix 1 to the Distribution Plan is posted on the Fair Fund website at [www.ARCapitalFairFund.com](http://www.ARCapitalFairFund.com).
